“If you are looking for a speaker who provides value, entertainment and motivation hire Katherine Miracle. Our employees are using her ideas and still talk about how she inspired them to be exceptional!

Mary Brown, US Bank

Katherine spoke at our luncheon about how to make raving fans of their customers. Talk about teaching by example! Not only was Katherine a great speaker (cranked up a notch), but she provided something so important for the attendees – specific take-aways that could be used this very same afternoon. I would highly recommend Katherine as a speaker, coach, mentor, marketer and friend!
