About “Discovering Your Dawn”

Based on a true story, Katherine writes of a college student who carries guilt from a tragedy she feels she could have prevented. Can she overcome the shadows that haunt her? A story of love, friendship, tragedy, hope and forgiveness that helps you ask the question: Have you discovered your dawn? Are you ready to bring to light the mistakes of your past in order to help you find your purpose and unlock your true potential?

Book Testimonial

“I just finished your book, and honestly, I cannot even express the way I feel right now. I still have goose bumps. I can relate to quite a few aspects, events, and feelings conveyed in your story and truly, from the bottom of my heart, want to thank you for sharing it with me! It was absolutely something I needed to read at this point in my life, and I want you to know that you really are an inspiration, and I just pray that one day I can be half as strong as you are!”
